THE MEMBER'S CORNER

NEED A BOOSTER SHOT???

By Layne Case
AMITY Publications

The Greater Barrington Chamber of Commerce is a non-profit business organization that offers numerous benefits to its members. Most people first think of the "networking benefits" however, often find themselves feeling stressed at the thought of having to attend another "meeting".

Why not think of this as a business "appointment"! After all, your doctor's "appointment" helps to improve your health. Therefore, your business "appointment" will help to improve your business. Not only does an apple a day keep the doctor away, a meeting a week keeps you at the peak, or the "top" of the list of potential customers who may be looking for your service or product.

In addition, your chamber offers support and camaraderie. What a great way to meet many different "types" of businesses and people, build relationships, which will help to keep your business "healthy".

So, don't be afraid of your next "appointment". It's a painless "booster shot" for the health of your business.

FREE advertising when you write a short article for our newsletter! Send a short paragraph about a member benefit, give some business advice or a testimonial about our Chamber via email (administrator@barringtonchamber.org) and we'll print it in the newsletter.

(Note: All articles are subject to editing based on space availability.)
