MEMBERS NEWS!!!

The chamber received this letter in the mail...

I am writing to express my deepest gratitude to the employees and owners of Calef's Country Store with regards to helping me locate and the return of my purse, which I left outside near a picnic table after having lunch on September 7th.

I was visiting NH for the weekend. A friend suggested that we stop at Calef's on the way home, since it is a favorite shop of theirs. I realized once we got to Rhode Island that I left my purse in NH. I keep everything in my purse and would be lost without it. I called Calef's and spoke with an employee who checked and said that someone brought my purse inside the store realizing that it was abandoned. I then spoke to the manager and asked if there was any way that he could mail my very large purse to me. He was so helpful and informed me that Calef's was a UPS pick-up location and he would box up the purse and send it out the next day. I received the purse yesterday fully intact, cash, credit cards, camera along with a million other things I carry around.

In this day and age sometimes you can get cynical with all the horrible things you read in the paper every day. The kindness of the person who found the purse and the employee who took the time on a busy Labor Day to listen to my problem makes me realize that there are still many honest and kind people in the world or at least BARRINGTON, NH.

Thank you for your troubles. I will be forever grateful and less care-less! Calef's will definitely be a stop for me on future trips to New Hampshire.

THANKS TO CLEVE AND LINDY AND THEIR STAFF FOR MAKING
BARRINGTON A MEMORABLE PLACE TO VISIT!!!
