Surveys confirmed our thoughts - it was a huge success!

THE MEMBER'S CORNER

What Makes a Good Logo?
By Amy Spainhower
Wedgewood Design

An effective logo is (1) simple, (2) memorable & unique, (3) adaptable & flexible, and (4) ageless and consistent.

Have you heard of the K.I.S.S. Principle? Keep It Simple, Silly. Simple logos are easily recognized, incredibly memorable and the most effective.

Logos also need to be memorable and unique. Your logo should be distinctive, bold and make a visual impact with your viewer.

Your logo should be useable across many different media - in print, online and broadcast. An experienced graphic designer can assist you with this.

And, once you make the decision and select a font for your logo and colors to make up your logo/brand... stay the course. Customer and prospects will learn to identify this combination of elements.

FREE advertising when you write a short article for our newsletter! Send a short paragraph about a member benefit, give some business advice or a testimonial about our Chamber via email to administrator@barringtonchamber.org...

COMMITTEE MEMBERS NEEDED!

Please take a moment to look at the Committee insert included in this newsletter and consider joining one of the many committees your chamber needs to continue to be effective and successful.

Think of this as a commitment to get to know your fellow Chamber members better.

What better way than to serve with them for a common goal!

We need everyone's help to be able to continue to provide you the great benefits offered.

OUR CHAMBER OFFICE

If you haven't stopped by the Chamber since September, you haven't seen the great addition to our office.

The Chamber Business Corner

This display is for member businesses only. You may leave your business cards and/or your brochures, which must fit in the brochure rack.

Our thanks to AMITY Publications, Dream Catcher Designs, D.F. Richard, J.J. Sunderland Construction Co., and Milestone Finance for their sponsorship that helped make this happen.

Come to the next BAH and see it for yourself! And, remember, if you don't have a business location to host one, you can always use the Chamber!

Just be sure to clean up after your event, remove trash, bring in the signs, and leave the office ready for business the next day.
